

## Zoonotic Viruses in Canadian bats

Vikram Misra  
Professor, Dept. of Microbiology  
Western College of Veterinary Medicine  
University of Saskatchewan  
E mail: [Vikram.misra@usask.ca](mailto:Vikram.misra@usask.ca), phone: 306-966-7218  
Co-investigators:

Trent Bollinger  
Professor, Dept. of Pathology,  
Western College of Veterinary Medicine,  
University of Saskatchewan.  
Director, Western Canada  
Canadian Cooperative Wildlife Health Centre  
e-mail:[trent.bollinger@usask.ca](mailto:trent.bollinger@usask.ca)

Janet Hill  
Associate Professor, Dept. of Microbiology,  
Western College of Veterinary Medicine,  
University of Saskatchewan.  
e-mail:[janet.hill@usask.ca](mailto:janet.hill@usask.ca)

Philip Griebel  
Professor, School of Public Health  
Research Fellow, VIDO, Int.Vaccine Centre  
University of Saskatchewan  
Tier 1, Canada Research Chair, Mucosal  
Immunology (Innate and acquired immune  
responses)  
e-mail:[philip.griebel@usask.ca](mailto:philip.griebel@usask.ca)

Tasha Epp  
Associate Professor  
Dept. Large Animal Clinical Sciences  
Western College of Veterinary Medicine  
University of Saskatchewan  
e-mail:[tasha.epp@usask.ca](mailto:tasha.epp@usask.ca)

Craig K.R. Willis  
Associate Professor  
Dept. of Biology  
University of Winnipeg  
e-mail:[c.willis@uwinnipeg.ca](mailto:c.willis@uwinnipeg.ca)

Jamie Voyles  
Assistant Professor, Dept. of Biology,  
New Mexico Tech  
Socorro, New Mexico  
USA  
e-mail: [jvoyles@nmt.edu](mailto:jvoyles@nmt.edu)

Patrick Tang  
Clinical Associate Professor,  
Dept. Pathology & Laboratory Medicine,  
University of British Columbia, Medical  
Microbiologist, BC Centre for Disease Control  
Program Head, TB/Mycobacteriology and  
Molecular Microbiology & Genomics, BC Public  
Health Microbiology & Reference Laboratory,  
Provincial Health Services Authority,  
Laboratories
